REMARKS

Applicants' August 19, 2004 Amendment and Response to Office Action is deemed to be non-compliant as a complete listing of the claims was not presented in the Amendments to the Claims section. The Patent Office has requested that a complete listing of the claims be provided.

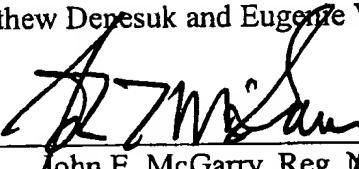

In accordance with 37 CFR 1.121(h), Applicants submit herewith a corrected "Amendments to the Claims" section from their previously filed Amendment and Response to Office Action. Applicants note that cancelled claims 1-44 and 47-55 have been added to the listing of claims.

It is respectfully submitted that the Amendment and Response is now compliant. Early notification of allowability is respectfully requested. If there are any questions regarding this matter, please contact the undersigned attorney.

Respectfully submitted,

Matthew Denesuk and Eugene V. Uhlmann
